

Collections and Recollections: Or, Historical, Biographical, and Miscellaneous Anecdotes, Notices, and Sketches, from Various Sources; With Occasional Remarks (Classic Reprint)

By Division of Medical Microbiology John Stewart

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Collections and Recollections: Or, Historical, Biographical, and Miscellaneous Anecdotes, Notices, and Sketches, From Various Sources; With Occasional Remarks The compiler of this volume had no intention originally of presenting it to the public, having selected and arranged the pieces contained in it during the course of his reading, chiefly for his own amusement. But, on revising them lately, it occurred to him that, by introducing explanatory and critical remarks to illustrate some of the most important subjects, they might form an amusing and useful collection of curious facts, anecdotes, and sketches, and prove a source of entertainment to others, as they had been to himself. The nature of the book may be briefly explained. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
