

The Flying Scotsman Pocket-Book

Filesize: 1.84 MB

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

Bloomsbury Publishing PLC. Hardback. Book Condition: new. BRAND NEW, The Flying Scotsman Pocket-Book, R. H. N. Hardy, Rupert Wheeler, The LNER Class A3 Pacific locomotive No. 4472 'Flying Scotsman' is one of the world's most iconic steam engines. It was built in 1923 for the London and North Eastern Railway at Doncaster Works to a design by Nigel Gresley. Taking its name from the London to Edinburgh non-stop service on which it was employed, 'Flying Scotsman' worked many long-distance express trains in a career in which it covered more than 2,000,000 miles (3,200,000 km). This fascinating pocket-book tells the story of this distinguished locomotive through authentic period literature including LNER and BR service manuals, giving an insight into her construction and operation from the height of her fame in the 1930s through to the end of her BR service in 1963.
