Createspace, United States, 2015. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Sky Pilot in No Man s Land High upon a rock, poised like a bird for flight, stark naked, his satin skin shining like gold and silver in the rising sun, stood a youth, tall, slim of body, not fully developed but with muscles promising, in their faultless, gently swelling outline, strength and suppleness to an unusual degree. Gazing down into the pool formed by an eddy of the river twenty feet below him, he stood as if calculating the distance, his profile turned toward the man who had just emerged from the bushes and was standing on the sandy strand of the river, paddle in hand, looking up at him with an expression of wonder and delight in his eyes. Ye gods, what a picture! said the man to himself. Noiselessly, as if fearing to send the youth off in flight, he laid his paddle on the sand, hurriedly felt in his pockets, and swore to himself vigorously when he could find no sketch book there. What a pose! What an Apollo! he muttered. The sunlight glistening on the beautiful white skin lay like pools of gold in the curving hollows of the perfectly modelled body, and ran like silver over the rounded swellings of the limbs.
