BN Publishing. Paperback. Book Condition: New. Mass Market Paperback. 332 pages. Dimensions: 8.9in. x 6.0in. x 1.1in. Learn the basic techniques every successful playwright knows Among the many how-to playwriting books that have appeared over the years, there have been few that attempt to analyze the mysteries of play construction. Lajos Egris classic, *The Art of Dramatic Writing*, does just that, with instruction that can be applied equally well to a short story, novel, or screenplay. Examining a play from the inside out, Egri starts with the heart of any drama: its characters. All good dramatic writing hinges on people and their relationships, which serve to move the story forward and give it life, as well as an understanding of human motives -- why people act the way that they do. Using examples from everything from William Shakespeares *Romeo and Juliet* to Henrik Ibsens *A Dolls House*, Egri shows how it is essential for the author to have a basic premise -- a thesis, demonstrated in terms of human behavior -- and to develop the dramatic conflict on the basis of that behavior. Using Egris ABCs of premise, character, and conflict, *The Art of Dramatic Writing* is a direct, jargon-free approach to the problem of achieving truth in writing. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Mass Market Paperback.
