

God and Science: Return of the Ti-Girls (Hardback)

Filesize: 4.49 MB

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

GOD AND SCIENCE: RETURN OF THE TI-GIRLS (HARDBACK)

DOWNLOAD

Fantagraphics, United States, 2012. Hardback. Book Condition: New. 282 x 218 mm. Language: English . Brand New Book. Originally serialized in Love and Rockets New Stories, Ti-Girls Adventures managed to be both a rollickingly creative super-hero joyride (featuring three separate super-teams and over two dozen characters) that ranged from the other side of the universe to Maggie s shabby apartment, and a genuinely dramatic fable about madness, grief, and motherhood as Penny Century s decades-long quest to become a genuine super-heroine are finally, and tragically, fulfilled. In addition to introducing a plethora of wild new characters, God and Science brings in many older characters from Jaime s universe, some from seemingly throwaway shorter strips and some from Maggie s day-to-day world (including some real surprises). The main heroine of the story, forming a bridge between the realistic Maggie stories and the super-heroic extravaganza is Angel, Maggie s sweet-tempered and athletic new roommate and best friend, and now herself an aspiring super-heroine. Aside from being presented in a large format that really displays Jaime Hernandez s stunning art, God and Science will be a director s cut version that includes a full 30 new pages in addition to the original 100-page epic, including four new full-color faux Ti-Girls covers, several expansions of scenes, an epilogue set back in Maggie s apartment, and a long fantasy/timewarp sequence that draws the focus back on Penny s awful predicament.
