If the teaching power of the parish is to count - and never has it been more necessary that it should count - each society and each individual responsible for the training of youth must enter into a common program. Patience is necessary until this point of view can be pushed home. Risks must be taken by all who enter into the combined plan - risks for the sake of greater success. We are entering a new era in parish life. Miss Withers plan is one of its signs, an indication of the opportunity which lies before the Church, and a bold essay to seize it for the good of the Church and of the coming generation.
