Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 203 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Bonnie and the Professor Nine-year-old Bonnie, a friendly little girl, and Professor Henry, a retired, hard-of-hearing college professor, have a special bond. A front porch serves as their meeting place, and the two best friends can often be seen there, resolving their problems and supporting each other during their ups and downs in life. A mother-daughter team has created charming stories in this chapter book. The tales mirror the passing of the year s seasons, from a story about gardening and planning a trip to the circus to a special Easter egg hunt, the professor possibly moving to a different state to be closer to family, making a Halloween costume, and getting lost on a school field trip. Other characters appear in the story, including Bonnie s mischievous dog Maggie, who disappears, and a school bully who just needs a push in a positive direction. In the end Bonnie even gains a special lesson about the greatest Christmas gift of all-love. Lois Stuart has written poetry and short stories and has designed birthday and holiday cards. She was born in Indiana in 1924 and raised four daughters. She now lives in Oceanside, California, where she does water aerobics, walks, plays cards and writes. Her daughter, Mary Stuart Davis, also born a Hoosier, recently retired after more than 30 years of teaching. She has written classroom material and curriculum and now volunteers at the school. Davis and her husband, who live in Loomis, California, raised two sons and are expecting their first grandchild.
