Knitting Pleats: Stunning Garments and Accessories

By Pobedinskaya, Olga.

Martingale. 1 Paperback(s), 2011. soft. Book Condition: New. Award-winning Russian-born knitter Olga Pobedinskaya here shows how to apply a time-honored design element to knitwear to create unique and fascinating garments. These 17 designs employ genuine pleats not simply ribbing to create decorative effects or to shape garments to suit the wearer. Pleats can be placed horizontally, vertically, or diagonally, and made full length, sectional, or slightly irregular. The beautifully illustrated book includes several gorgeous sweaters, wraps, and bags, plus a beret, vest, hat, and collar."Beginning with a comprehensive picture tutorial explaining both the how-tos and the whys of making pleats, you will soon master this new and intriguing technique. Used frequently as a design element, they are also cleverly incorporated into the actual shaping of some of the sweater patterns. With 17 tempting designs, you will have a hard time deciding which garment to cast on first." Love of Knitting Magazine 79.
