

Negotiating Outside the Law Why Camp David Failed

Filesize: 6.48 MB

Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Kaycee McGlynn)

NEGOTIATING OUTSIDE THE LAW WHY CAMP DAVID FAILED

Pluto Press. Hardcover. Book Condition: New. Hardcover. 336 pages. Dimensions: 9.3in. x 6.3in. x 1.0in. Ray Helmick has conducted unofficial diplomacy in the Israeli-Palestinian dispute for decades working closely with leaders on both sides. The fruit of this work is displayed in this book, an unusually sophisticated analysis of the flaws in peace diplomacy and the importance of real and perceived justice to the sustainability of any agreement. His book is all the more persuasive because he clearly cares deeply about the safety and security of the Jews of Israel but also of the Muslims and Christians of Palestine. It is hard to this book down. Joseph V. Montville, Diplomat in Residence, American University, Senior Fellow, Center for World Religions, Diplomacy and Conflict Resolution, George Mason University, Senior Associate, Center for Strategic and International Studies, Washington, DC In the summer of 2000, President Clinton, Ehud Barak and Yasser Arafat came together to negotiate peace between Israel and Palestine. It was a moment laden with hope, that ended in infamous failure. But why did it fail The Camp David negotiations made headlines around the world for many months, but the real debates took place behind closed doors. Jesuit priest and longtime peace activist Raymond G. Helmick is one of the few people who remained in contact with what went on. He maintained communication with all parties -- including President Clinton -- throughout. This book is his startling account of the arguments, the relationships and the strategies that played out over the summer of 2000. Based on personal correspondence and position papers with all three leaders, and a long personal association with Yasser Arafat and a whole series of Israeli Prime Ministers dating back to 1985, this book offers a unique account of the real reasons behind the failure of Camp David....
