Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from War Gardening: And Home Storage of Vegetables Americas responsibility for the worlds food supply did not stop with the ending of the war. In peace, as in conflict, this country must carry the burden of Europe s food problems. With the advent of peace these problems have become intensified. America is now expected to furnish the solution and this can be done only through the continued application of high pressure food production and unwavering food conservation. For two years of war the War Gardens of America produced foodstuffs which helped establish the balance of power between starvation and abundance. In the spring of 1918, General Haig declared, We stand with our backs to the wall. Of that call to the civilized world no phase was more vital than its interpretation and answer in terms of food. During that year the answer was given by the American people with true American spirit. The war gardeners of the United States responded with a vigor which carried the War Gardens over the top to victory. By the addition...
