The Story Plant. Paperback. Book Condition: new. BRAND NEW, Twilight Time: A Novel of Love and Redemption, Emily Sue Harvey, From their home in the South Carolina foothills, Rachel and Peter James are entering the "twilight time" of their long and loving marriage. This is a stage they have wistfully anticipated for decades, a period when they could enjoy the fruits of a life well, if not always peacefully, lived. But fate has something else in store for them. There are challenges awaiting them, both internal, in the form of a shadow creeping into Peter's mind, and external, in the form of ill-doers from the present and ghosts from the past descending upon them. For Rachel and Peter, their twilight time will be a time of tests and realizations. Will they find their way through it, or will their twilight turn to darkness. A novel of rich feeling and deep exploration into the human heart, Twilight Time is the most passionate and affecting novel yet from one of our most soul-stirring novelists.
