Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

CHILDREN OF DARKNESS

Createspace, United States, 2015. Paperback. Book Condition: New. Cover Me Darling (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sweat soaks my clothes as I sit up in my bed. My heart pounds in my ears and my eyes dart around the room. Giggles float from all directions of my room, surrounding me. I cover my ears with my hands and squeeze my eyes shut, rocking silently. Please go away. Leave me alone. The giggles get louder and louder, deafening me to anything else. Stop it! Please! I scream and everything stops. Silence is almost as terrifying. Dr. Janet Birch has been plagued by nightmares her entire life. She worked her way through college so she could help children who suffered from the same fears and give them the tools she never had to move on. Emily Frost is a young girl whose nightmares consume her life. Her parents bring her to Janet in hopes of dispelling her fears and bringing their daughter back from the brink. As Emily finally breaks down and reveals her demons, Janet realizes they have more in common than she thought. Piece by piece, Janet fights for not only her life, but Emily's as well, to overcome their living nightmare.
