

Moral Culture of Infancy, and Kindergarten Guide: With Music for the Plays (Classic Reprint)

Filesize: 8.76 MB

Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Moral Culture of Infancy, and Kindergarten Guide: With Music for the Plays Since publishing the first edition of what I meant to be a Guide to those who undertake to give Kindergarten culture, I have been in Europe, and made a special study of the Kindergartens established in Hamburg, Berlin, and Dresden, by Froebel himself, and his most distinguished scholars. This study has more and more confirmed the conviction I derived from reading Froebel s Essay on the Education of the Human Race; viz., that no greater benefit could be conferred on our country, than the far and wide spread of Kindergartens, as an underpinning, so to say, of our noble public-school system, giving adequate moral foundation, thoroughness, and practicality to the national education. But I also learned that no book could be written that would make an expert Kindergartner. It was the careful observations and earnest experiments of half a century, that gave to Froebel himself that profound knowledge of childhood which enabled him to formulate the principles, deduce the rules, and call forth the spirit of a genuine art of education. But though no genius and industry less than his own could have originated this art, any soundly cultured, intelligent, genial-tempered young woman, who loves children, can appreciate and practise it, if - and only if - she is trained by a living teacher engaged in the work at the moment. This, I myself have proved experimentally also; for my knowledge was first obtained only from books. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
