THE SON OF MONTE-CRISTO, VOLUME II (HARDBACK)

1st World Publishing, United States, 2008. Hardback. Book Condition: New. 218 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.Spero, the son of Monte-Cristo, was peacefully sleeping in another room, while, gathered around the table in the dining-room of Fanfaro s house, were Monte-Cristo, Miss Clary, Madame Caraman, Coucou, and Albert de Morcerf, ready to listen to the story of Fanfaro s adventures, which, as narrated at the close of the preceding volume, he was about to begin. The following is Fanfaro s narrative: It was about the middle of December, 1813, that a solitary horseman was pursuing the road which leads through the Black Forest from Breisach to Freiburg. The rider was a man in the prime of life. He wore a long brown overcoat, reaching to his knees, and shoes fastened with steel buckles. His powdered hair was combed back and tied with a black band, while his head was covered with a cap that had a projecting peak. The evening came, and darkness spread over the valley: the Black Forest had not received its name in vain.
