

A Compendium of Human Comparative Pathological Anatomy

By -

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 80 pages. Original publisher: Washington, D. C. : U. S. Govt. Accountability Office, 2010 OCLC Number: (OCoLC)664678872 Subject: Iraq -- Appropriations and expenditures. Excerpt: . . . 23 We estimated Iraqs budget surpluses through the end of 2009 on the basis of revenue and expenditure data obtained from the Ministry of 24 Finance. For 2005 through 2007, we based our analysis of Iraqs revenues and expenditures on the Board of Supreme Audits reports on the annual financial statements of the Iraqi government, which the Ministry of Finance provided to us. For 2008, we based our analysis of revenues and expenditures on the final accounts for the Iraqi government, which the Ministry of Finance submitted to the Board of Supreme Audit for review and subsequently provided to us. For 2009, we based our analysis on monthly revenue and expenditure data obtained from the Ministry of Finance through Treasury. We based budget surpluses accumulated before 2005 on data included in the Board of Supreme Audits report on the governments 2005 financial statements. During April 2010, a senior Ministry of Finance official stated that funds According to the Ministry the ministry...
