The most important wisdom anyone can gain as they live their life on this sphere called earth that is journeying through space is the love of God. This is a vital truth because it helps to shape ones life, destiny, self-worth and choices. This story was written to help the reader to understand this very fact, that Gods love is available and forgiving. Let me take you back two thousand years to a time, though ancient, yet, is very similar to today. You see, in both ages, fathers worked hard to provide for their families. Sometimes their sons rebelled, thinking they could find something better. Yes, the trials and tribulations of then are much like the trials and tribulations of today. Lets look in on this family of which Jesus told a story revealing the Fathers love. This item ships from La Vergne, TN. Paperback.
