TSUNAMIS: THREATS AND MANAGEMENT

I.K. International Publishing House Pvt. Ltd., 2009. Paperback. Book Condition: New. 14cm x 21.5cm. The book deals with the mechanism of Tsunami related environmental problems to India and the role that disaster management will play. Natural disasters are a big challenge for the world community, particularly for India, where the time has come that the government takes responsibility to see that the local people living in the coastal areas must be involved and that the disaster management awareness programme must...
