Reviews

A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be he finest book for at any time.

(Kristy Stroman)

Hal Leonard Corporation, United States, 2002. Paperback. Book Condition: New. 278 x 212 mm. Language: English . Brand New Book. This book digs into the authentic gospel stylings associated with great artists such as Ray Charles and Aretha Franklin. The first part of the book deals with the 3/4 or Slow Gospel style (used in the song Amazing Grace, for example), showing the harmonic techniques needed to create the real gospel sound on the piano. The second part focuses on the 4/4 or Fast Gospel style, where gospel harmonies are combined with up-tempo rhythms and syncopations to create exciting results (such as in Paul Simon s song Gone at Last). The techniques covered in this book will help you lead your congregation at the piano, and will inject new ideas into your rock, RB and funk playing.
